Manfred E. Ewang is a bilingual (English/French) public service professional with over 10 years of progressive experience in the Ontario Public Service, recognized for delivering high-quality client support, optimizing workflows, and providing clear guidance on complex legislative requirements.

He brings expertise in project coordination, data accuracy, financial recordkeeping, and international business facilitation, including initiatives in renewable energy and real estate in Cameroon. He is based in Toronto, Ontario.

He has a strong background in client and stakeholder relationship management, legislative interpretation, and bilingual communication, with skills in database management, conflict resolution, and leadership. As a Team Representative at Service Ontario from December 2007 to 2024, he evaluated service delivery outcomes, implemented strategies to strengthen client satisfaction, delivered accurate policy guidance, and trained staff to improve service quality.

Prior to that, he managed high-volume public inquiries at the Office of the Registrar General and advised clients on child support procedures at the Family Responsibility Office.

His key achievements include spearheading solar energy projects in Cameroon, designing an employee incentive program that boosted productivity, achieving 98% accuracy in order processing, and streamlining client service delivery.

Manfred holds a Bachelor of Law (LL. B) from the University of Yaoundé, Cameroon, and a master's in psychology from Canada Christian College, Toronto. In his spare time, he enjoys reading, writing, football, fundraising, and community service.

## WYSE Corp (Australia) Pty Limited.

WYSE Corp is a private Australian investment and management consulting company specializing in infrastructure development and financing. The primary focus is on supporting investment in international infrastructure projects, as well as developing and supporting international businesses in Africa and Southeast Asia.

### Investment Consultancy Strategy

We employ a multi-faceted investment approach, utilizing: - Venture capital - Equity collateral funds – Private equity investment and loan finance from Logic Capital Investments Limited. This enables Wyse Corp to provide comprehensive support to our client companies, facilitating growth and success.

### Regional Focus

Our investment and consulting activities are concentrated in two key regions: - **Africa:** We recognize the vast potential for growth and development in African markets and are committed to supporting infrastructure projects and businesses that contribute to the region's economic expansion. - **Southeast Asia:** With its rapidly growing economies and increasing demand for infrastructure development, Southeast Asia presents attractive investment.
