As a business owner and director with profit and sustainability goals, Gelage brings a naturally strategic mindset, proven change-management leadership, and human resources acumen that builds high-performing organisations. He has an intimate and deep understanding of finance, capital-raising techniques, mergers and acquisitions, etc. A strong communicator and accomplished academic, He has been called upon many times to deliver international business presentations to senior management and government. Gelage's cross-cultural expertise lets him thrive in multicultural settings, having lived and worked in politically diverse markets like Mauritius and Morocco.

He brings to Wyse Corp a robust academic foundation, holding a Doctorate in Human Resource Management (2021-2023) from UBIS – University of Business and International Studies (USA, Atlanta International School). He also completed an MBA (2012-2016) in the UK and a Master of Arts in Theology and Leadership (2016-2018) at Roehampton University London. In 2022, he graduated from the Executive Missions Training in Missiology at the School of Disciples, The Redeemed College of Missions, Nigeria. His military background includes a Graduate Diploma in Défense Executive Management and Military Intelligence (1991-1993, Pune, India). Earlier credentials include a Higher Diploma in Business Studies (HDBS, 1981-1983) from Hereford Technical College, UK, and a City & Guilds of London Institute qualification (1976-1978) earned at Seychelles Technical School.

His track record speaks for itself. As a former Technical Advisor and Special Branch Officer with 1–3 years' experience as an Intelligence Military Officer, he served as Technical Advisor to the Minister of Internal Affairs. He then led the Human Resource Management and Administration Department at the Seychelles Fishing Authority for 7 years. In the hospitality sector, he spent 7 years as Health & Safety/Security Coordinator and Hotel Duty Manager, gaining exposure across multiple departments and mastering guest care around the clock. His public-service career spans 15 years, including roles such as Director of Intelligence Service/Special Branch Officer and Chief Superintendent of Prisons.

## WYSE Corp (Australia) Pty Limited.

WYSE Corp is a private Australian investment and management consulting company specializing in infrastructure development and financing. The primary focus is on supporting investment in international infrastructure projects, as well as developing and supporting international businesses in Africa and Southeast Asia.

**Investment Consultancy Strategy** We employ a multi-faceted investment approach, utilizing: - Venture capital - Equity collateral funds – Private equity investment and loan finance from Logic Capital Investments Limited. This enables Wyse Corp to provide comprehensive support to our client companies, facilitating growth and success.

**Regional Focus** Our investment and consulting activities are concentrated in two key regions: - **Africa:** We recognize the vast potential for growth and development in African markets and are committed to supporting infrastructure projects and businesses that contribute to the region's economic expansion. - **Southeast Asia:** With its rapidly growing economies and increasing demand for infrastructure development, Southeast Asia presents attractive investment.
